

# NEWSLETTER - SEPTEMBER 2023

Issue: 4

Date: Oct 4, 2023

Greetings from Vibhaa Hospital!

We've been blessed by the Festival of Bappa and are excited to share our latest newsletter with our well-wishers.

## Our Commitment to Personalized Care

At Vibhaa Hospital, we're dedicated to providing personal, affordable, and professional care. We're walking this path with increasing determination each day.

### Medical Milestones

We achieved a significant milestone by performing advanced oncological surgeries, including surgery for Carcinoma of the Tongue, expertly handled by Dr. Shirish Patil, our Head and Neck Onco Surgeon. The patient is now discharged and receiving further treatment.

Throughout this month, we performed a wide array of surgeries, from trauma laparotomies to laparoscopic procedures and hernia repairs.

## Community Health Check-Up Camp

As part of our ongoing effort to serve the community, we organized an in-house Free Health Check-Up Camp on Sep 23, with a focus on Liver Health. Approximately 40 individuals benefited from this camp, and we're committed to helping those in need receive the care they deserve.

## Upcoming Events

Stay tuned for multiple Health Check-Up Camps in the coming days. Our aim is to integrate preventive care and education into these camps, ensuring the well-being of our community.

## Personal Note from Dr. Kishor V Bandagar

We recently had a nostalgic batch reunion at BLDE, Bijapur, where we relived cherished memories from 20 years ago.

I'd like to share a thought-provoking video with you: Last Lecture Series: "[How to Live an Asymmetric Life](#)," Graham Weaver. The speaker imparts valuable insights on life.

Additionally, the Association of Surgeons of India conducted another successful Monthly Clinical Meeting on Sep 22, 2023. With your continued support and blessings, we aim to achieve even greater heights in serving our society.

Remember to stay healthy!

Dr. Kishor V Bandagar
