

Vibhaa Hospital - Newsletter

Dear Sir / Madam ,

We are pleased to share the latest news and updates from Vibhaa Hospital.

The Vibhaa team recently had a team lunch at Sattvam Restaurant, which is a newly opened restaurant in Belagavi. The restaurant offers delicious Pan Indian Thali, and the team enjoyed the food and the ambiance. The team lunch was a great opportunity for the team members to interact with each other while enjoying a good meal. Eating together is a great way to improve team bonding and helps to create a positive work environment.

Here are the pics :

Patient Success Story

We are thrilled to share with you a heartwarming success story from Vibhaa Hospital. One of our patients, a brave Border Security Force Soldier, was successfully treated for Sub Acute Bowel Obstruction at our hospital. We take pride in serving our patients with utmost care and dedication.

Upcoming Events

Don't miss out on our upcoming **Free Health Checkup Camp on 29/07/23!** This is your chance to receive a free health consultation with experienced doctors and undergo a complete blood count, blood sugar level test, liver function test and ECG - all for free! Take control of your health and join us at Vibhaa Hospital. We look forward to seeing you there!

World Hepatitis Day -

World Hepatitis Day is observed on July 28 every year to raise awareness about viral hepatitis and to promote access to testing, treatment, and prevention. At Vibhaa Hospital, we are committed to fighting against hepatitis and improving the health and well-being of our patients.

Thank you for your continued trust and support in Vibhaa Hospital.

Sincerely,

Dr Kishor V Bandagar

General and Laparoscopic Surgeon
