Hope all had wonderful Deepavali! The buzz of winter session is everywhere in the city of Belagavi. Hope we are in for a pleasant winter .

## **What We did ?** 🛡️

We are seeing a steady increase the number of water borne diseases . Hospitalisation for the same has increased in the recent times . Special emphasise was given to educate the masses regarding the prevention of these diseases.

## **Free Health Checkup Camp** 🏕️

In an ongoing effort to reach out to the community, we are conducting free health check-ups camp for all those in need.

however , because of our prior commitments we could not hold our planned in house health check up camp

## **Upcoming Events** 📅

On the Way to ASICON 23 at Vishakhapattanam. An annual event for the surgeons across the country to converge and exchange ideas !

A free health check up Camp on last Saturday of December 23.

## **On a personal note** 💖

We had a beautiul Deepavali Celebration at the hospital .

The Book that is keeping me engaged is - **\*Super Thinking: Upgrade Your Reasoning and Make Better Decisions with Mental Models.\***

An interesting read on mental models which will increase the efficiency in our thinking .

With all your co operation and blessings , we would scale greater heights in the service of the society ! Keep healthy!
