New Year is here with renewed hopes and resolutions .Wishing everyone a very happy new year and hoping every ones resolutions reach their fruitful targets .

What We did ? 🏥

December was a month of conferences and getting to meet new people .

We successfully treated many alcoholic related illness and inducted the patients in rehabilitation of the patients . Thus , preventing further complications .

Free Health Checkup Camp 🏠

Free In House Health check up Camp was held on 30 Dec 2023 ; special emphasis on Liver Health was given .

Upcoming Events 📅

We are planning to conduct a Pulmonolgy camp in the days to help people cope with burden of onslaught of respiratory illness in the present times .

We believe in, Prevention is the best cure . and continue to strive for better health for the community we serve .

On a personal note 💖

It was a academic feast at Vishakhapattanam for ASICON 23 ; an annual mega conference of all the surgeons across the country .

The Book that is keeping me engaged is - Feel Good Productivity by Ali abdaal ; a Doctor turned youtuber , advocating bringing the fun back into our mundane worklife ! An easy and useful read for people who are struggling with the so called work life balance !

Tirupati Darshan at Tirumala was the highlight of the month ! May Lord Balaji keep us all healthy and make us prosperous !

With all your co operation and blessings , we would scale greater heights in the service of the society !

Keep healthy!

Dr. Kishor V Bandagar

MS, General and Laparoscopic Surgeon
