

Respected Sir / Madam ,

Month of July began with much awaited showers for farmers , thirsty birds and of course all of us , who craved respite from the heat . Hope you are having a good time in this auspicious month!

We are glad to share that we are doing better by the day ! and achieving our milestones in patient care with your constant support . Our team of expert doctors , skilled and caring nursing staff are ready to serve the patients 24*7

07 July 2023 - had Lunch with Team 🥗

The Vibhaa team recently had a team lunch at Sattvam Restaurant, which is a newly opened restaurant in Belagavi. The team enjoyed a delicious Pan Indian Thali while bonding with each other. The event was not only a great way to improve team bonding, but also a way to reinforce their commitment to providing better care for their patients. The team members resolved to work closer together and continue to strive towards achieving their goals in patient care. This kind of team building activity is important in creating a positive work environment and improving the overall quality of care provided by the hospital.

25 July 2023 :Website launched 

Vibhaa Hospital reached a significant milestone in July by launching their website, www.vibhaahospital.com. The website serves as a one-stop platform for patients and referring doctors to connect with the hospital in a more engaging way. Patients can book appointments, access patient education materials, and learn about the top-notch facilities available at Vibhaa Hospital. The website launch is a testament to the hospital's dedication to providing excellent patient care and improving patient experience. The hospital hopes to continue to leverage technology to enhance communication and engagement with their patients and referring doctors.

Free Health Check Up Camp 29 July 2023 ❤️

Vibhaa Hospital has been continuing its efforts towards the betterment of the community by organising free health checkup camps. The latest camp saw a record number of 78 patients receive free consultation, CBC, ECG, RBS, and Liver Function Tests. The hospital is committed to providing excellent healthcare to all sections of society .

On World Hepatitis Day, the hospital also shared valuable information with the public on [how to prevent Hepatitis](#). You can find more information on this topic by following the link .

Upcoming Events

We are planning to conduct a free health check up camp Tentatively on 26 August 2023 at Kanabargi . We are confident that , we will reach maximum number of needy people with our expert team of doctors there .

Watchout our Instagram page in the day to come on theme **#preventionisthebestcure** - for tips on how to prevent communicable diseases!
